13. Artwork made by folding paper, not cutting or gluing.
14. Three-dimensional artwork that can be seen from all sides.
15. The way something feels.
16. Cutting into something for the purpose of sculpture or engraving.
18. A quick and loose type of drawing.

Puzzzzzles
are fun!

CHALLENGE

Create a maze in the shape of a bee hive. Draw characters like the one shown here, including the queen bee!
