

DRAGON DRAWING

Learn to draw square by square!

Grid Drawing

1. Draw the image at right one square at a time in the slightly larger grid below.
2. Color the drawing.

Do It Yourself!

Enlarge your own picture. It can be a drawing or a photograph.

1. Use a ruler to draw evenly spaced vertical and horizontal lines.
2. Lightly draw vertical and horizontal lines on a sheet of paper - larger in size.
3. Draw the image one square at a time just like the one above.
4. Erase the grid.
